

PRO ZIEGEN-MIX

A tasty snack with goat meat

A tasty snack to provide your pet with an energy boost in between meal times.

The small snacks are grain-free and contain only one type of meat (goat). This means they are suitable even for sensitive pets. The snacks are soft and extra tasty.

The meat chunks are not treated with preservatives but shipped in a packet which is filled with a preservative gas. The gas is food-safe and has no effect on the quality of the product. This makes the "Snacks" long-lasting, soft and free from chemical substances.

Cat or dog?

Pro Goat-Mix is suitable for both cats and dogs.
